

Practicing Physicians Among Present and Past Directors of the American Association of Chronic Fatigue Syndrome (AACFS)*

Please note: This information is provided as a service to those seeking specialized clinical care for CFIDS/CFS. Some of these professionals, or the health systems they work within, have strict guidelines for referral or consultation and long waiting lists for new patient appointments. These individuals are not available to address personal questions related to the diagnosis or management of persons not under their care. Contact information listed below has been obtained from public sources.
