

Don't miss this special event!

In March the New Jersey Chronic Fatigue Syndrome Association and the CFIDS Association of America will join forces to bring you a special event that combines the spring conference of the NJCFSA with the CFIDS Association's popular kNOw MORE CFS seminar series.

Date: Saturday, March 10, 2007
Place: Robert Wood Johnson University Hospital
Time: 11:00 a.m. to 5:15 p.m.

The conference will include three key sessions:

- 1) The CFS Public Awareness Campaign session.** This session will include a showing of the campaign public service announcements, video clips of key media coverage and an overview of campaign goals and highlights from CFIDS Association president and CEO Kimberly McCleary. In addition, Jacqueline Niederle and Brian Bernard, two photo exhibit participants, will share their personal experiences as patients and advocates.
- 2) Research session.** Dr. Nancy Klimas, University of Miami
- 3) Clinical session.** Dr. Alan Pocinki, internal medicine practice

The new traveling CFS photo exhibit, "The Faces of Chronic Fatigue Syndrome," will be displayed from March 9-12 in the Arline and Henry Schwartzman Courtyard (atrium) at Robert Wood Johnson University Hospital, in New Brunswick, New Jersey. It can be viewed by conference participants on March 10. The compelling exhibit features portraits and stories of patients (including three past and present NJCFSA members), family members and health care professionals. It's part of the national CFS Public Awareness Campaign sponsored by the CDC and the CFIDS Association of America.

Additional information is available on the CFIDS Association of America's website at www.cfids.org/ecommerce/products.asp?setCategory=6.
Early registration is recommended as seating is limited.
